Web developer Intern

Key Skills: **HTML5** **CSS3** **JAVASCRIPT**

During this web development internship, I created a dynamic and responsive gym fitness website from scratch using HTML, CSS, and JavaScript. The project involved designing and implementing various interactive features to enhance user experience. Through this experience, I gained valuable skills in front-end development and learned how to create engaging websites that cater to specific business needs.

PROJECTS

Spotify Clone

Mentor: **Haris Khan** | Team Size: **1**

Key Skills: **HTML5** **CSS3** **JAVASCRIPT**

In the Spotify clone project, I employed HTML, CSS, and JavaScript to replicate the user interface and functionality of the popular music streaming platform. The clone allows users to browse and search for songs, create playlists, and play music seamlessly. By completing this project, I gained valuable experience in front-end development and learned how to mimic complex web applications while improving my coding skills.

Personal- Portfolio

Key Skills: **HTML5** **CSS3** **JAVASCRIPT**

In this personal portfolio project, I utilized HTML, CSS, and JavaScript to build a visually appealing and responsive website. The portfolio showcases my skills, projects, and achievements, allowing visitors to explore my work and learn more about me. Through this project, I honed my front-end development abilities and created an impressive digital presence to represent myself professionally.
